Thinking for GA run off we start showing the polling numbers like this.

Good to include lines like we need the resources to make sure they don't try to steal this election. We saw what happened on election night, we can't let them take the senate too.

Austin, we're reaching out because we wanted to make sure you get the latest information and updates on our work to save the Senate and protect our American way of life.

<p style="text-align: center;"><b>POLLING MEMO</b></p> <p>David Perdue (R-GA) - 49% Jon Ossoff (D-GA) - 48%</p> <p>Kelly Loeffler (R-GA) - 48% Raphael Warnock (D-GA) - 49%</p>

These races are incredibly close, and while momentum is on our side, Democrats are coming in to spend MILLIONS of dollars to erase our razor-thin lead and win in Georgia. ***Austin, if we lose Georgia, then Joe Biden, Kamala Harris, Chuck Schumer, and Nancy Pelosi will be free to pass whatever they want with no one to stop them.***
